Statement

I certify that the information provided is accurate and complete after reasonable inquiry of people, systems, and other information available to the CPF recipient. The undersigned acknowledges that any materially false, fictitious, fraudulent statement, or representation (or concealment or omission of a material fact) in this submission may be the subject of criminal prosecution under the False Statements Accountability Act of 1996, as amended, 18 USC 1001, and also may subject me and the CPF Recipient to civil penalties, damages, and administrative remedies for false claims or otherwise (including under 31 USC 3729 et seq.) The undersigned is an authorized representative of the CPF Recipient with authority to make the above certifications and representations on behalf of the CPF Recipient.

Records indicate that at least one of the program plans does not have at least one project attached. The system shows that the following program plans do not have projects attached: CPF_GP-000252, CPF_GP-000111. If the identified program plans are not supposed to have projects, please provide an explanation for any program plan missing a project about why this is the case. If this is incorrect, please return to the Projects screen and add additional projects.	The CPF_GP-000111 program plan has not formalized a subaward agreement yet and therefore there are no projects to report at this time. The CPF_GP-000252 program plan was approved in July 2023. It did not have approval during the reporting period and therefore does not have any projects associated with it yet.
