MEMORANDUM

To: The Honorable Daniel J. McKee, Governor

From: Paul L. Dion, Ph.D., Director

Date: June 8, 2026

Subject: **Reclassification of Unexpended State Fiscal Recovery Funds**

This memorandum summarizes the recommended reclassification of unexpended State Fiscal Recovery Funds (SFRF). The authority for reclassification of unexpended SFRF balances is contained in Section 6 of Article 13 H-5076 Substitute A:

> In the event that any state fiscal recovery fund program underspends its appropriation or receives program income as defined by U.S. Treasury and would put the state at risk of forfeiture of federal funds, the governor may propose to reclassify unspent funds or program income from the at-risk program to other eligible uses as determined by U.S. Treasury. This proposal shall be referred to the General Assembly. For a state fiscal recovery fund program, if the amount of the underspend or receipt of program income is less than or equal to one million dollars ($1,000,000) and less than or equal to twenty percent (20%) of its total appropriation, the governor's proposed reclassification shall take effect immediately. For a state fiscal recovery fund program, if the amount of the underspend or receipt of program income is greater than one million dollars ($1,000,000) or greater than twenty percent (20%) of its total appropriation, the governor's proposed reclassification shall go into effect thirty (30) days after its referral to the General Assembly by the governor unless rejected by formal action of the house and senate acting concurrently within that time

DOA – ERP Implementation Support

The recommendation is the reclassification of SFRF underspend to the *DOA – ERP Implementation Support* project. The contract for the new Enterprise Resource Planning (ERP) system was entered into by the Department of Administration (DOA) with Accenture LLP on November 23, 2022, thereby creating an obligation prior to the SFRF obligation deadline of December 31, 2024. The cost of developing and implementing the new ERP system is an eligible use of SFRF funds under the U.S. Treasury Expenditure Category of Revenue Replacement.

The Pandemic Recovery Office (PRO) received notifications from multiple state agencies indicating that the state agency does not need the full amount of its SFRF appropriation to meet its SFRF project objectives, and, as a result, the state agency is releasing the identified underspend for reclassification in accordance with U.S. Treasury guidance.

The table below indicates the SFRF project, the state agency, the SFRF project appropriation amount, the amount of SFRF funds available for reclassification, and the percentage that the SFRF funds available for reclassification are of the SFRF project appropriation amount:

Project	State Agency	Appropriation	Reclassification	% of Appropriation
Rhode Island Reconnect	Office of the Postsecondary Commissioner	$8,000,000	$350,000	4.4%
Certified Community Behavioral Health Centers	Executive Office of Health and Human Services	$29,000,000	$214,500	0.7%
Municipal Homelessness Support	Executive Office of Housing	$2,200,000	$200,339	9.1%
Support for Survivors of Domestic Violence	Department of Public Safety	$10,500,000	$144,145	1.4%
Municipal Fellows	Executive Office of Housing	$1,300,000	$100,000	7.7%
Public Health Response Warehouse Support	Department of Administration / Rhode Island Emergency Management Agency	$4,178,347	$16,011	0.4%
Electric Heat Pumps	Office of Energy Resources	$24,400,000	$14,355	0.1%
OHCD Support and Capacity	Executive Office of Housing	$1,500,000	$13,857	0.9%
Eight Projects	**Six Agencies**	**$81,078,347**	**$1,053,257**	**1.3%**

Thus, in total, $1,053,257 of SFRF project underspend will be reclassified to the *DOA – ERP Implementation Support* SFRF project upon receipt of this memorandum by the General Assembly.

Please accept this memorandum as a recommendation for your referral to the General Assembly for the reclassification of SFRF project underspend.
