# SFRF Project Compliance Process (1/2)

SFRF project vetting and approval is a time-intensive, iterative process to operationalize the enacted SFRF budget while complying with US Treasury mandates and establishing a process for monitoring project execution.

## Key Deadlines:

- Eligible costs must have been incurred after March 3, 2021
- SFRF funds must be obligated by the State by December 31, 2024
- SFRF funds must be fully expended on or before December 31, 2026

# SFRF Project Compliance Process (2/2)

Responsibilities are shared between the Agency and PRO to plan, vet, and execute a project as outlined below.
